OLIVE OIL WITH A STORY

The organic extra virgin olive oil comes from organic olive groves on Lesbos.

The olive farmers receive a fair price for their olive oil. This allows them to continue to invest in sustainable olive oil with the unique taste of the Kolovi olive. In addition, for every bottle sold a meal is donated to a refugee family.

The taste of the olive oil

- Organic extra virgin olive oil
- To prepare dishes or as a base for dip, dressing or marinade
- Full but mild taste and rich in antioxidants
- 100% pure olive oil from the Kolovi olive

Advantages of each bottle of olive oil sold

- Stimulus for the local economy
- Increase employment
- A nutritious meal is donated to a refugee family on Lesbos
